Air Force Assistance Fund Campaign Charities

By Bill D'Avanzo, CMSgt (Retired)

The 52nd annual Air Force Assistance Fund (AFAF) Campaign is coming to a close at 94 Air and Space Force Bases around the world. At nearly \$1.1 million and with nearly 10,000 donors so far, we're at 33% of our \$3.3 million goal. While we can't say how the campaign year will end, we can say with confidence that without your help, the success of the campaign would have been greatly hindered.

The General and Mrs. Curtis E. LeMay Foundation (The LeMay Foundation) continues the founders' vision of "Taking Care of Our Own." We are committed to providing our surviving spouses with monthly supplemental income grants to help them remain in their own homes as long as necessary. One-time assistance is also provided to ease the unforeseen expenses that can make it difficult for spouses to live on a fixed income. We understand how important it is for these spouses to maintain their homes and stay in good health. We thank you for making this possible and for your continued support of our mission and promise.

The Air Force Villages Charitable Foundation (AFVCF) has served over 600 surviving spouses of retired Department of the Air Force officers, with over \$23 million since 1970. These residents of Blue Skies of Texas retirement community know they will always have a home, regardless of their

ability to pay. And 100% of your donations to AFVCF go directly to the residents' living expenses and continuing care, to allow them the peace of mind to live comfortably in their homes with a secure future.

Air Force Aid Society (AFAS) is proud of the impact we make and deeply grateful for the incredible generosity of our donors and partners. Together, we help ensure our force remains mission-ready while giving their families the support they need to succeed. In 2024, AFAS provided more than \$14 million in financial assistance to Airmen, Guardians, and their families. This included approximately \$6 million in emergency financial assistance and community programs, \$3.6 million in educational support and \$5 million in disaster relief to directly aid those affected by events like Hurricanes Milton and Helene. As we move through 2025, AFAS remains committed to ensuring those who serve have the resources they need to thrive – and we can't do it without people like you. Join us in giving back to the next generation by visiting <https://www.afassistancefund.org/index.php/donate/>. (Continued on page 2)

Air Force Enlisted Village--As we begin the second half of 2025 we are reminded daily that we're so much more than just an apartment complex for our residents. We are a home, community, and sanctuary where residents experience a rich array of amenities, social activities, and supportive services designed to make each day fulfilling. At Bob Hope Village and Hawthorn House, our residents find warmth friendship, and a deep sense of belonging - a true home where they feel safe, valued and connected. We take pride in offering a home to our Air Force surviving spouses who may otherwise face housing insecurity, extending our resources and support to make sure no one is left behind. Through your generosity and support to the Air Force Assistance Fund, we have continued to fulfill this benevolent mission, creating a thriving community for all. In 2024, your donations provided over half a million dollars in financial support to eligible DAF surviving spouses. Together we are making a lasting difference in the lives of those who served. If we can help you or someone you know, please go to <https://www.affassistancefund.org> where you'll find links to all four charities' websites. Info on ways we can help, eligibility for assistance and how to contact us is all available on the individual charity sites.

If you haven't yet had the opportunity to give this year, but so desire, you can give *anytime* online now at <https://www.affassistancefund.org>. Just click the "DONATE NOW!!" button near the top right of the page. You'll be taken to our donation page where you can choose to use a downloadable donation form to authorize payroll deduction donations, or document where you'd like your check or money order donation to go. Then there's our "E-Giving" option where you can help your favorite base and squadron by giving directly to their campaign via multiple online methods which now include Apple Pay via an Apple mobile device. For a direct link to our e-Giving options, visit us at <https://secure.ggiv.com/for/affassistancefund>.

Join the **AFAF Wingman Squadron** today by signing up for monthly giving and your monthly donation won't automatically stop after just one year—unless you pause or stop it yourself. You're in full control with your giving account! If you need help setting up your account, please contact Department of the Air Force Fundraising at usaf.fundraising@us.af.mil.

Again, if e-Giving isn't your thing, that's okay. You can still give by check, money order, cashier's check, or through the annual payroll deduction plan from your retired pay. The contribution form can be found on the next page after this article, or you can obtain a PDF version online at https://www.affassistancefund.org/wp-content/uploads/2022/12/DAF_2561-20221026.pdf

Retiree CFC Giving Surges!

After your years of public service, federal retirees like you may want to continue giving back to their community, country, and people around the world. The great news is you can continue to make a positive impact by giving through your annuity. Whether you are returning or pledging for the first time, participation in the CFC is a great way to extend that spirit of service. In fact, federal and military retirees contributed more than \$5.9 million in 2024.

TAKING CARE OF OUR OWN
for Airmen & Guardians, By Airmen & Guardians

National Cemetery Pre-Need Eligibility

NATIONAL CEMETERY ADMINISTRATION, DC

On September 1, 1973, VA became the steward of the 112-year-old National Cemetery System, the forerunner of the National Cemetery Administration (NCA).

Today, NCA ([National Cemetery Administration](https://www.va.gov/nca/)) manages 155 national cemeteries in the United States and provides grant-funding to 122 state, territory, and tribal veterans cemeteries. Over 4.1 million veterans of every conflict—from the Revolutionary War to the wars in Iraq and Afghanistan—are honored by burial in these cemeteries. NCA has assisted millions of veterans and their families in scheduling and arranging for burial at national cemeteries for themselves and their spouses.

In 2016, NCA developed a Pre-Need Eligibility application to assist families with burial planning. No longer do veterans or spouses need to wait until the time of death to find out if they are eligible for burial in a national cemetery or for memorial benefits such as a headstone, flat marker, or bronze medallion for use in private cemeteries.

In FY 2023, 55,374 Pre-Need applications were approved. There were 139,360 internments in national cemeteries and 33,566 national cemeteries and 33,566 headstones and markers provided for burial in private cemeteries. Pre-Need applications require the veteran's social security number, date/place of birth, military status and service history such as service dates, discharge character, and rank - information commonly found on the DD214 or other separation documents. If you do not have discharge documents, NCA staff will help obtain the information needed to determine eligibility or via mail or fax using this form www.va.gov/find-forms/about-form-40-10007/, or simply search for "NCA Pre-Need" on the internet.

If you have questions about future burial needs for yourself or a living dependent of a veteran, or you need assistance with submitting an application please call (800) 535-1117 and press 4. NCA's Scheduling Office is open Monday through Friday 8:00am to 7:30pm EST and Saturday 9:00am to 5:30pm EST except Thanksgiving, Christmas, and New Year's Day. Telecommunications Relay Services or TTY available at 711.

Do You Have a DS Logon?

MYAIRFORCEBENEFITS - A Department of Defense (DoD) Self-Service Logon, or DS Logon, offers secure, self-service access for Airmen, Guardians, retirees, surviving spouses, and families to informative government partner websites. The free DS Logon ID account allows its members access to their personal information on DoD and Veterans Affairs (VA) partner sites using a single username and password. It can be used for viewing personal profiles, health information, pending applications, open claims, and more.

The DS Logon can be used 24 hours a day, 7 days a week. New user accounts are verified through the Defense Enrollment Eligibility Reporting System (DEERS). Therefore, to obtain a DS Logon, all applicants must be affiliated with the DoD or VA and have a listing in DEERS under one of the following categories: active duty, Reserve Component, retiree, or veteran; eligible family members (over 18 years of age); DoD civilians and contractors.

MyAirForceBenefits encourages the use of a DS Logon for all Retirees and their eligible family members, Reserve Component gray area Retirees, and eligible surviving family members (those whose service member died while on active duty on or after September 11, 2001) who do not have a common access card (CAC).

A DS Logon allows access to the planning calculator tools for retirement, survivor benefits and SBP (Survivor Benefit Plan) premiums on MyAirForceBenefits. These tools can be used to assist with financial planning for retirement. A DS Logon is also essential for eligible surviving family members to access their Interactive Online Survivor Benefits Reports through the Casualty and Survivor Assistance tool on [MyAirForceBenefits](#).

In preparation for retirement before you surrender your CAC, go online and apply for a DS Logon. A link to the DS Logon Registration page can be found on the [MyAirForceBenefits](#) homepage. Be sure to read the "DS Logon Support Documentation," found at the top of the registration page. This document is updated regularly with all relevant information concerning DS Logon. The registration page presents three ways to apply for an account. If you currently have a CAC, you can choose the "CAC option." Retirees, military spouses, and eligible family members that do not have a CAC but do have a valid DoD ID card can choose "Email Registration."

Those who do not have a CAC and do not have a valid DoD ID card, must choose "Remote Identity Proofing." However, another option is available to those who need to obtain a new DoD ID card. While at your RAPIDS ID appointment to receive a new DoD ID card, notify the Verifying Official that a DS Logon is desired. You will

provide your email address and follow the instructions given by the RAPIDS Operator. You will receive an email with the activation steps in 24 hours. The email is only good for 7 days and this process can only be done in coordination with receiving a new DoD ID card. "Remote Proofing" is offered as the last resort for obtaining a DS Logon. If this is the only option available to you, be sure to thoroughly read the "DS Logon Support Documentation" for the requirements prior to starting the process.

Once you have a DS Logon established, you can save time accessing your personal information and benefits when visiting these popular websites:

- MyAirForceBenefits
- milConnect
- Military OneSource
- TRICARE Beneficiary Web Enrollment
- TRICARE West
- TRICARE East
- DoD Spouse Education and Career Opportunities
- Military Spouse Career Advancement Accounts

REAL ID and NextGen ID Card

By Steve Young, Lt Col (Retired)

Buckley SFB Retiree Activities Office Director

Passed by Congress in 2005, the REAL ID Act was enacted in response to the recommendations of the 9/11 Commission to improve national security. The goal of the REAL ID Act is to prevent identity fraud by establishing minimum security standards for state-issued driver's licenses and identification cards. The Department of Homeland Security started Real ID Act enforcement on 7 May 2025. This affects what forms of documentation can be used to access certain federal facilities, military installations, and to board domestic commercial flights. You can check your state's compliance on the Department of Homeland Security website [REAL ID | Homeland Security](#)

Eventually, you will need to have the NextGen ID card because the old forms of ID will not be valid to access military installations; this will be true even if your old ID card has an INDEF expiration date on it.

Military retirees, dependents, and surviving spouses who already possess military, or DoD issued credentials, will still be granted installation access for the foreseeable future even if you have an "old style" ID card (DD Form 2, DD Form 1173, DD Form 1173-1 or DD Form 2765 (blue, pink or tan ID)). DoD will formally announce when a date has been set.

There are several ways to make an appointment to get a new ID card. You can visit the RAPIDS ID Card Office Locator website to find the closest office and either call them to make an appointment or schedule your own appointment using the website <https://idco.dmdc.osd.mil/idco/> (will transition to myAuth as of 20 May 2025). To make an appointment using this site select the "ID Card Office Locator & Appointments" block. You may also be able to renew your ID card online and have it mailed to you. Select the "Family ID Cards" block on the website at the link above. Below are the requirements to renew a card online:

- Sponsor must be a CAC holder or have a DoD Self-Service Logon username/password
- Must be requesting a renewal of an active USID card
- Sponsor and cardholder must have email addresses listed in the Defense Enrollment Eligibility Reporting System (DEERS) that they have authorized DoD to use for contacting them
- Sponsor's personnel status must extend at least 30 days into the future
- Cardholder has a photo saved in DEERS taken in the last 12 years
- Cardholder's mailing address is present in DEERS and is in United States or Overseas.
- USID cards cannot be shipped to PO Boxes

All old-style ID card holders are encouraged to get a NextGen ID card soon!

Changes to SBP/RCSBP Monthly Premiums

DFAS, CLEVELAND - Some retirees need to pay monthly Survivor Benefit Plan (SBP) or Reserve Component Survivor Benefit Plan (RCSBP) premiums directly instead of having them deducted from pay because their VA disability compensation pay offsets their retired pay. We call that direct remittance.

Most of these payments are handled by the U.S. Department of Treasury Centralized Receivables Service (CRS), where retirees can make their payments online, use their bank's bill payment service, or pay through the mail.

In mid-2025, DFAS will change the payment process for retirees who pay their SBP or RCSBP premiums directly through Treasury CRS.

In the coming months, please watch for communications that will provide details and information about the mid-2025 changes and the actions you will need to take. There is no action you need to take right now, other than to make sure your mailing address is up to date so you can receive important communications.

Update Your Mailing Address

The quickest and easiest way to update your mailing address is to use myPay: <https://mypay.dfas.mil>. If you have trouble logging in to myPay, check the troubleshooting instructions on the [Using myPay webpage](#) or call 888-332-7411.

You can also use our convenient askDFAS online form to update your mailing address. You must answer the identity security questions correctly to have your request processed. See our handy askDFAS explainer page for details: <https://www.dfas.mil/retonlinetools>.

Additionally, you can complete a Retiree Change of Address/State Tax Withholding Request using the DD Form 2866.

The form is available on our Forms Library webpage: <https://www.dfas.mil/raforms>

Mail or Fax the form to:
Defense Finance and Accounting Service
U.S. Military Retired Pay

Indianapolis IN 46249-1200
Fax: 800-469-6559

If you have questions about your SBP coverage, please contact DFAS Customer Care Center at 1-800-321-1080.

If you have questions about CRS payments, please contact CRS at 1-888-618-3104

INTERESTED IN WORKING ABROAD?

Ready to pursue a career beyond our nation's borders? Already received or been offered a job from a foreign based company?

Foreign Government Employment (FGE) is defined as any civil employment with a foreign government, regardless of whether or not payment of wages is received.

FOREIGN GOVERNMENT EMPLOYMENT

WHO SHOULD APPLY FOR FGE?

Any retired member of the armed forces seeking any civil employment with a foreign government or entity – or any instrumentality of a foreign government – must apply for permission ahead of time or risk losing DoD benefits. Separated members of the armed forces may be prohibited from working for certain foreign governments without prior approval, and doing so would risk loss of DoD benefits and/or security clearance.

CAN I START WORKING BEFORE MY FGE APPROVAL?

No. Retirees and certain separated armed forces members that fail to comply may have pay, allowances, or benefits provided by DoD withheld. In addition to losing benefits, security clearances may be revoked.

READY TO APPLY FOR FOREIGN GOVERNMENT EMPLOYMENT?

Additional information & instructions on how to apply for Foreign Government Employment are located on the Air Force Retiree Services website:

www.retirees.af.mil/Foreign-Government-Employment

Seek advice from the local judge advocate or ethics counselor regarding the legal requirements and restrictions related to employment by foreign government and entities.

Department of the Air Force Retiree Activities Offices

Department of the Air Force Retiree Activities Offices (DAF RAO) are made up of retired volunteers from all services, including surviving spouses. Their charter is to coordinate, establish and staff an office on an active-duty, Reserve or Guard base through command channels that help retirees and surviving spouses with a myriad of actions.

These actions include: serving as an information center for TRICARE, base services, etc.; offering referrals for financial assistance and pay matters; counseling active-duty Airmen/Guardians nearing retirement; and

providing guidance on retirement issues.

Another major activity involves working with base agencies to set up Retiree Appreciation Day events, offering briefings by different agencies on respective services, tax preparation and advice (at selected locations); staff judge advocate assistance, base tours, and more.

Not all states or countries have an established DAF RAO. The phone numbers and email addresses of RAOs DAF-wide are listed below.
