

Retiree Appreciation Events are a great source of the latest information for retirees and their family members. Events vary from installation to installation, service to service, but most provide an opportunity to renew acquaintances, listen to guest speakers, renew identification cards, get medical checkups, and various other services.

Because of COVID-19, many of the events are subject to change. Check this site frequently for up-to-date information.

Other [events](#) are available on a state-by-state listing of all services' retiree-related events. Times and events are subject to change without notice.
